## HWM16-XO TELLURIDE

HVM16-LM-2-90-NG-CP4-NI

The newely redesigned **HWM16-XO Telluride** includes our Storm Drain<sup>™</sup> lens drainage allowing water and dirt to wash away for optimal light transmission. Intended for use with open source MR16 sized LED lamps up to 8 Watts. The HWM16-XO is field convertible to our high performance LM16 "Designer Module" should the need arise. Offered in 2 versions: (LM, & XO) to meet the specific demands of our top tier customers. The HWM16 is specifically designed to install quickly. This luminaire is ideal for downlighting, directional lighting, and wall-washing, providing dramatic results.

#### Features include:

- · Variety of LED Lamp Options
- 2700K 90 CRI), 3000K (CRI 90), or Turtle Safe Amber (560nm)
- Storm Drain™ Lens Drainage System
- Solid Brass Construction
- Compatible with 4, 6, 8 or 12 Watts "Designer LED module"
