MERIDIAN

RDL008102

The Meridian down light has a faceplate diameter of just 2 1/4" and an aperture of 1", making it one of the smallest down lights available. The LED package used in the Meridian is the very latest technology delivering excellent performance and halogen-like color temperature.

- Cree LED™ XLAMP® (XP-L)
- Rated for interior or exterior wet location use
- Ideal for eaves, beams and architectural features
